We invite you to share your work with a global audience through Academia Oncology, an international, open-access journal published with the Academia.edu network.

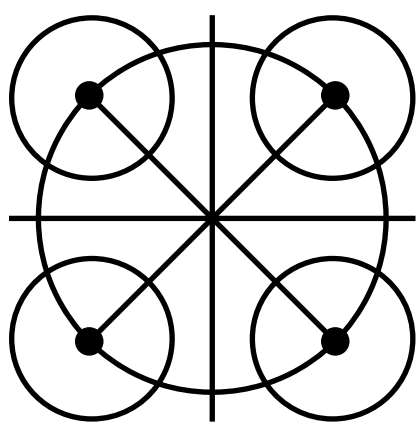

We welcome submissions on all aspects of cancer research, from basic science to translational and clinical studies, embracing interdisciplinarity as the key element in advancing oncology research and improving patient outcomes.

Proudly indexed in Embase, Gale, DOAJ, and Google Scholar.

Why Publish With Us?

Open access for maximum visibility, global reach through Academia.edu's network of 300+ users. Connect with academic, industry, and policy audiences.

Open Access
